## **ARSON TRAINING & HOUSE BURN EVENT**

### **FOR IMMEDIATE RELEASE**

(Sedgwick County, Kansas) – Things in Sedgwick County will “heat up” on Thursday, June 21 with live house burn training at 53<sup>rd</sup> St. S. and West St. Firefighters from Sedgwick County and other area agencies will be tested on their ability to determine the causes of three different fires as part of a special training class.

Sedgwick County Fire District #1 and the Kansas Chapter of the International Association of Arson Investigators are conducting a two-week *Arson Investigation Class* in Sedgwick County through June 25. The class is part of the curriculum required to become a Certified Fire Arson Investigator. 25 firefighters are enrolled in the program.

The test house, acquired through a flood buyout program, is located at 5327 S. West Street. The fires will be started around 9:00 am. The class will be brought to the scene around 1:30 pm, and the investigation should be complete by 3:15 pm.

To coordinate a visit, contact Sedgwick County Communications at 383-7429.
